

Please review us!

Ulmer's Auto Care has entered a contest with some of our friends in the automotive repair business throughout the country. The contest winner is up to our customers. If you love us please go to google and search Ulmer's Auto Care. You will then see the ability to write a review. We are trying to accumulate more reviews than anyone else in our group. The winner will receive \$3,000.00 to give to our favorite charity. The other shops participating are Wheeling Auto Center in Arlington Heights, IL, CarFix in Garner, NC, Meyer's Service Center in St. Louis, MO, Twin Tire and Auto Care in Harvey, LA, Suddeth Auto Service in Columbia, SC, Tyler's Automotive in Tigard, OR, Butler Automotive in Augusta, GA, and Houska Automotive in Fort Collins, CO. We will donate the money to the scholarship fund that we have in honor of Dan Wierwille that will be awarded to a local student. It is very easy. Visit Google today and write a review. Thank you so much for your participation!

## Remembering our Dear Friend...

DAN WIERWILLE  
1970-2011

It is with great sadness and deep sorrow that we inform our customers of the loss of our beloved friend, mentor and colleague, Dan Wierwille. Dan was diagnosed with an inoperable brain tumor seven years ago. He continued to work day in, and day out, between chemotherapy and radiation treatments, at the job he loved. He lost his *heroic* battle on May 30th.

Dan began working at Ulmer's Auto Care in 1989, and quickly became one of its most valued employees. As most of our customers know, Dan had a *passion* for repairing cars, and took great pride in his work. He loved getting our customer's vehicles back to "like new" condition, and on the road as quickly as possible. Dan was always willing to lend a helping hand, and encouraged his co-workers to do their best. He was a *true leader* in every sense of the word, and we are honored to have had the privilege to not only work with him, but to call him *our friend*.

Dan also had a personal connection at Ulmer's. For 19 years he worked side by side with his brother, Ron. Each of us here at Ulmer's has a special story about how Dan touched our lives on a personal level. It's these stories and fond memories that help us through this difficult time. If you have a special story about how Dan touched your life, please don't hesitate to stop by or email us and share it.

Knowledge and education was a real passion of Dan's, and for that reason Ulmer's Auto Care is in the process of setting up a scholarship fund in his honor.

Watch for more information in the coming months so you can join us in honoring Dan's legacy.

*Our hearts go out to Dan's loving wife, Rhonda, and his amazing daughter, Jordan.*

*Dan meant the world to all of us, and he will truly be missed.*
